Pimlico

Luxurious corded silk with metallic detailing

Pimlico is a formal damask using pure silk to dramatic new effect. Silk cording and dense silk embroidery define a large-scale design on a luxurious dupion ground. Embroidered Lurex highlights add yet another level of splendour.

Cheyne Stripe

Super-contemporary stripes

Stripes answer many decorating needs, delivering both colour and graphic interest. Now James Hare takes the design focus to a new level, mixing neutrals with fresh, fun and jazzy colours in plain and patterned stripes of varying widths.

Ebury

Easy living embroidered damask in linen

Ebury is a relaxed contemporary damask. Densely embroidered, with a range of different stitches adding subtle detailing, the pattern has a delicate, almost overlaid effect. This lightness of touch makes Ebury equally at home in traditional or contemporary surroundings.

Aurora Silk

Inspired by the night sky

Densely woven, with an elegant drape, Aurora Silk is inspired by the sky at night, melding soft tonal hues in an impressionist design. The silk content gives a luxurious sheen.

Cobra Stripe

Nature-inspired pattern

Continuing James Hare's series of animal-skin inspirations, Cobra Stripe incorporates a subtle snakeskin reference within a woven stripe. This brings real vivacity and movement to the fabric, which is further enhanced by the shimmer of natural silk.
